Date: Weds., May 4, 2005

Time: 6 - 9:00 p.m.

The Halifax Urban Greenway Association (HUGA) and HRM have worked with consultants to develop a preliminary design for a multi-use trail and nature footpath between South Street and Point Pleasant Park and Young Avenue. The purpose of the open house is to provide the public with an opportunity to view and comment on the preliminary design. HRM staff, HUGA members and consultant will be present to discuss details and answer questions, as well as to record comments to be used as input in preparing the final design.

The meeting is open to anyone who wishes to attend to seek information about the proposal and/or express any comments they may have.
